

Claude Moore Recreation Center Groundbreaking 1/29/2005

Despite frigid temperatures, a crowd of over sixty turned out for the groundbreaking ceremony for the Claude Moore Recreation Center. Representatives of the Loudoun County Board of Supervisors, Parks and Recreation Advisory Board and Department of Parks, Recreation and Community Services (PRCS), along with former board members, County Administration, Wiesnewski Blair & Associates, Moody Nolan, Inc., Konover Construction and county residents of all ages, braved the cold to ceremoniously lift the first shovelfuls of dirt for the state-of-the-art facility. Following the groundbreaking, a reception was sponsored by Loudoun Heritage Farm Museum, Inc. in the museum.

Plans for the recreation center include an enclosed 50-meter competition pool, a leisure pool with water spray features and therapeutic areas, a gymnasium, fitness and workout room, an elevated jogging track, a rock climbing wall, a kitchen and multi-purpose/meeting rooms. The project is expected to be completed in the fall of 2006.
